Sir:

This application was filed on July 7, 2006 as a national phase application of PCT/DK2005/000117. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2004 00282 filed on February 23, 2004 and U.S. Provisional Application No. 60/547,365 filed on February 23, 2004.

The filing receipt mailed May 8, 2009 omits the U.S. provisional application in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due. Should any fees be due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: May 18, 2009
